PULL TOGETHER **for children and families**

Ronald McDonald House Idaho collects aluminum pull tabs and recycles them for revenue to provide services for families of ill or injured children. Thousands of dollars are raised each year through this recycling effort!

When you collect pull tabs for us you:

- Expand public awareness
- Raise money
- Protect the environment

THANK YOU FOR PICKING UP THE TAB!

1

MAKE YOUR POP TAB CONTAINER

You can use all different materials to make your pull tab container. Some recommendations include larger plastic bottles, large coffee containers, or plastic buckets. Use our template to design your own pull tab container!

2

COLLECT PULL TABS INDIVIDUALLY OR AS A GROUP

A great way to collect pull tabs is with your office, or by starting a pull tab program at your school. You can schedule a tour of the House or Family Room to learn more about what we do, our programs, and the pull tab program!

3

BEGIN POPPING YOUR TABS

Every pull tab helps and a little can go a long way.
